Treetops Resort Opens *The Glades* A Double Black Diamond Ski Experience!

*Ski Through Beautiful Northern Michigan Hardwood Trees and
the Midwest's Freshest Powder*

(Gaylord, MI) October, 2020 – After a soft opening during the 2019-20 ski season, Treetops Resort is excited to fully open *The Glades* in 2020-21. **Glade Skiing** (also known as glading) is alpine skiing and snowboarding through trees off-trail or on a defined woods trail. Glades are variously sought for their solitude, beauty, or caches of ungroomed powder. Treetops has used the summer to clear even more trees and underbrush for this area. *The Glades*, situated between Kathryn's Way and Hemlock Hollow is recommended for high level skiers as you'll cruise through the trees on natural snow, "I can ski in here all day long and

never ski the same line twice” touts Treetops Resort Mountain Manager Brad Jacobson.

The new Double Black Diamond run is now the 24th downhill ski run at Michigan’s Most Spectacular Resort. Adding to the roster of ski runs, *The Glades* is the perfect advanced, off trail adventure for skiers and snowboarders alike. The run, in its ungroomed state will offer skiers something new each time they ski as snow builds and wind shapes the terrain within the hardwood forest. “Our skier services team is so excited with this new terrain offering, so those looking for a more advanced rustic ski experience not unlike destinations in the mountains west and east, can enjoy the challenge right here in northern Michigan”, Kevin McKinley, Assistant GM & Director of Ski and Golf said.
